TMPIS/CIR/18/2022-23

Date: 1st July , 2023

Dear Parents,

Greetings from T.M.Patel International School!!!

We hope this circular finds you in good health. As part of our commitment to ensuring the well-being of our students, we are pleased to announce that our school will be organizing a comprehensive medical check-up for all students.

Date: 27th July 2023(Thursday) for Nursery to Grade 4

28th July 2023(Friday) for Grade 5 to 11.

Venue: School Campus

Time : During the School Hours

The primary objective of this medical check-up is to assess and monitor the overall health and development of our students. It will be conducted by a team of qualified healthcare professionals who specialize in pediatric care.

Please ensure that your child comes to school on the designated date and time. To facilitate a smooth and efficient process, we kindly request you to take note of the following guidelines:

Ensure your child gets a good night's sleep before the check-up day.

Provide any necessary medical records or information regarding your child's health conditions or medications.

If your child wears glasses or has any hearing aids, please ensure they are brought to the check-up.

Please note that the medical check-up is mandatory for all students. If, due to unavoidable circumstances, your child is unable to attend on the specified date, kindly inform the school in advance, and we will arrange an alternative schedule.

We believe that this initiative will not only help us monitor your child's health but also provide valuable insights to support their overall well-being. We appreciate your cooperation and participation in this endeavor.

For any queries or concerns regarding the medical check-up, please feel free to contact the school office. Your active involvement is crucial in ensuring the success of this event.

Thank you for your support.

Warm regards

**K.Maxwell Manohar
Director /Principal**
