Date: 2nd August 2023

Dear Parents,

Greetings from T.M. Patel International School!!!

We hope this circular finds you in good health and high spirits. We are delighted to invite you to our upcoming Parent-Teacher Meeting (PTM) which is scheduled on 19th August 2023(Saturday).

The PTM is an essential event in our academic calendar, as it provides an opportunity for open communication and collaboration between parents and teachers to discuss the child's academic progress, strengths and areas for improvement.

We believe that strong partnerships between home and school are instrumental in fostering the overall development and success of our students.

The PTM will be held in our school premises as per the below mentioned details .

Roll No. 1 to 12 : From 9:00 am to 10:15 am
--

Roll No. 13 to 25: From 10 :15 am to 11:30 am
--

Roll No. 26 to 38 : From 11:30 am to 12:45 pm
--

Each parent/guardian is requested to attend the meeting at the allotted time slot to avoid overcrowding.

During the PTM, teachers will provide detailed insights into your child's performance and overall development. Additionally, you will have the chance to address any concerns or queries you may have about your child's education.

We look forward to your active participation in the PTM and encourage your continued support in fostering your child's academic journey.

The timetable of the re-examination has already been shared with all those parents whose wards have missed the first periodic test. This arrangement was inevitable because large number of students were absent due to conjunctivitis and fever.

The Investiture Program is on 11th August 2023 (Friday). Details regarding the program will be shared at the earliest.

Independence Day Program

As school, we expect all the students to attend the flag hoisting ceremony followed by the Patriotic Program on 15th August 2023.

Note : If your child is participating in the program, make sure that he/she attends the practice sessions as well as the program.

If you have any plans of going out of station, please inform the school earlier.

Screen Timing – A Huge Concern

As we don't allow the students to use mobiles at school, we request the parents to please check the usage of mobiles at home which is causing students to sleep late at night which in turn is affecting their academics.

As a school, we ourselves were concerned regarding some teachers leaving the school due to valid human reasons, we have replaced the teachers and we request you to please cooperate with us in this matter.

We hope the school is working according to the expectation of all the parents. Please inform us if we are falling short in any of the areas.

We thank all the parents who have paid the fees and request the remaining parents to render the fees before PTM for the smooth functioning of the school.

Thank you for your cooperation.

Regards

K.Maxwell Manohar
