Subject: Witness a Historic Moment: Chandrayaan-3 Landing on August 23rd, 2023!

Dear Parents,

We hope this message finds you well. We are excited to inform you about a truly remarkable event that is set to take place on August 23rd, 2023. The Chandrayaan-3 mission, India's prestigious lunar exploration endeavor, is scheduled to make its historic landing on the lunar surface at 6:04 pm.

As an educational institution committed to inspiring curiosity and fostering a love for science and exploration among our students, we strongly urge you to encourage your children to watch this momentous event. Witnessing the Chandrayaan-3 landing live will not only provide them with an incredible learning opportunity but also spark their interest in space science and technology.

By observing the landing of Chandrayaan-3, your children can gain insights into the remarkable achievements of our nation's scientists and engineers. This event is a testament to the power of innovation, teamwork, and dedication, and it offers a chance for our students to feel proud of their country's contributions to space exploration.

We encourage you to gather your family around the television or online livestream on the evening of August 23rd, starting from 5:30 pm. This is a fantastic chance for parents and children to share in the excitement of this significant achievement together.

Let's make this event a memorable and inspiring experience for our students. Your support and involvement will undoubtedly contribute to their growth and enthusiasm for science and technology.
