Greeting from T.M Patel International School!!!

During Navratri, the nine forms of Goddess Durga, also known as Navdurga, are worshiped on each of the nine days. These forms are Shailiputri, Brahmacharini, Chandraghanta, Kushmanda, Skandamata, Katyayani, Kalaratri, Mahagauri, and Siddhidatri, all of them represent the divine feminine energy. Devotees seek to harness this feminine energy and experience the transformative power and blessings it brings. This connection is believed to bring strength, protection, and spiritual growth to the devotees.
