Dear Parents,

Greetings from TMPIS SURAT!!!!

The School has a range of extracurricular and co-curricular activities for students. Various clubs offered at School cater to the varying levels of abilities and aptitude of children. It is compulsory that students involve and enroll themselves in one club activity of their interest and choice. Students will be involved in one club for the entire year and there is no provision for club to be changed in between the academic session. The allotment of the club will be on first come first basis depending upon the availability of seats. Parents are therefore requested to give three preferences ; if the seat is not available in the first option, the child will be allotted the second option or rarely the third option.

The clubs offered this year are as follows:

• Environment Club	• Literary Club
• Math Club	• Innovation Club
• Science Club	• Home Science
• Community Service	

Kindly indicate your ward's choice in the form given to your ward and send it to the class teacher latest by **9th June 2023.(Friday)**

Looking forward to your support and co-operation.

Best regards,

K. Manohar Maxwell
