Dear Parents & Guardians,

The 21st century is all about ingenuity, immediacy and inquisitiveness. Children are expected to be backed up with 21st Century Skills - a set of essential life skills and an invaluable asset in their preparation for college, work and life. As your child's teacher, we continuously look at opportunities to connect their learning with real life and to provide them with the necessary skills to be proficient communicators, innovators and creators, critical thinkers, and collaborators, all with a global mind-set supported by strong value systems.

One such opportunity is the TCS iON IntelliGem, a National level contest conducted by Tata Consultancy Services on a wide range of 21st Century Skills for the students of Grades 5 to 9. The first 2 stages are online! We would strongly recommend you to enrol your child to this.

All participating students get:

Learning Reference Material

Digital booklets on the 21st Century skills - authored by experts

Fun-filled Learning

Access 21st century learning through webinars, puzzles, games, activities and more

IntelliGem Certificate and Recognition

Personalized performance report with IntelliGem QuotientTM and a digital certificate

Winners and Finalists get to represent the School at National Level Finale and win exciting rewards:

Cash Prizes

Trophy, Medals and Certificates

New Age Toys

Leadership Training

Books and Subscriptions

To enrol your child, visit <https://intelligem.tcsion.com>. While registering, you will need our School ID. Please use this School ID: **1000135**

Together, let us make your child 21st Century ready! Best wishes,

Regards,

Principal

Ms. Sudha Murugkar
