Dear Parents,

Greetings from T.M. Patel International School!

We hope that you are safe and healthy!

We whole-heartedly acknowledge your cooperation and support in tough COVID times! When all things came to a sudden halt and the learning spaces had no clues about the way teaching-learning would happen, we ensured that it continued in our schools, and now, it is the new normal! The teachers have supported the new endeavour, adapted suitable pedagogy, appropriate strategies and resources, to make teaching learning a remarkable experience. You too have supported your wards and trained them to learn the new way.

It is time now to assess the learners. Appended below are details regarding the same.

- Online Assessments have been designed for grades I & II.
- 1 class test on each chapter of Half Yearly portion will be conducted
- The tests will be conducted using Google Form.
- The link for the scheduled test will be shared by teachers once the students login to the class
- The students must keep their video on while taking the test.
- The teachers will be monitoring while the students take the test.

The assessment portion has been shared through the Parent App, and the schedule is being shared along with this circular.

We request your support in conducting the assessments fairly and effectively. Please do monitor your ward while he/she is taking the assessment.

With best regards

Principal

Ms. Sudha Murugkar
