Dear Parents,

Greetings for the day...!

During the Parent Orientation Programme conducted in the month of April, you had expressed keenness for smaller batch size for students of grades Nursery to II. Based on the same, we had rolled out the new time table. Within this week, a lot of you have shared feedback on the new time table especially the long hours due to offline periods. Respecting your views, we are revising the Time Table.

Since you all had agreed that smaller batch size will ensure better student engagement and impact learning, we shall continue to have classes for students of grades Nursery to II in two batches.

We have planned for each batch of students to complete their scheduled Live classes for the day within a particular block of time. The following are the Batch timings:

Batch I timings: 8:45 am to 11:00 am

Batch II timings: 11:45 am to 2:00 pm

Kindly note,

- There will be no long breaks in between the classes
- Batches will be made according to roll numbers and you shall be notified about the batch of your ward
- There will be no changes in the batch once it is assigned to the students
- Offline classes are equally important in order to achieve learning outcomes and the same should be monitored by parents and will be reviewed by teachers

Regards ,

Principal
