T M Patel International School has always been a front runner in the field of academic and co-scholastic fields, in order to focus the current scenario we invite our student, parents and teaching faculties to take active participation on the given topic of e-Raksha competition 2021.

In times of Covid-19 pandemic, virtual classrooms have become the new norm and digital media has become an invaluable tool for the children to continue their learning. Internet has become one of the prime sources of information, collaboration and social interaction across the globe. It is, therefore, the urgent need of the hour to educate the young minds to use the potential of Internet for their learning and growth and become smart and safe.

CIET-NCERT in collaboration with Cyber Peace Foundation has been spreading awareness amongst children and young adults on the need to be safe, smart and resilient in the cyber space through the 'e-Raksha Competition'.

The **e-Raksha Competition 2021** has been launched and the theme of the competition is:
'My Idea of a Safe and Peaceful Cyber Space'
