

TMPIS/CIR/ 24/21-22

Date: 2<sup>nd</sup> July , 2021

Dear Parents,

### Greetings from T.M. Patel International School!

We hope that you are safe and healthy!

We wholeheartedly acknowledge your cooperation with our virtual learning this Academic year 2021-22. We have ensured continuous learning and taken efforts to bring the online as close as we could to real physical classrooms. The teachers have supported the new endeavour, adapted suitable pedagogy, appropriate strategies and resources, to make teaching learning a remarkable experience. You too have supported your wards and trained them to learn the new way. I appreciate the kind of involvement that you as a parent have shown in being part of the learning process.

It is time now to assess the learners. Appended below are details regarding the same :

- Online Assessments have been designed for grades III to X.
- One test for each subject will be conducted for grade III to V. The tests will be conducted using Google form.
- Two tests for each subject will be conducted for grade VI to VIII. Test I will be through Google form . Test II will be handwritten by the students.
- **One test** will be conducted for **Math and Science** for grade IX and X . Test will be a pen and paper test.
- **Two tests** will be conducted for **SSt and English** for grade IX and X. Test I will be Google form and Test II will be handwritten by the students.
- The link for the scheduled test will be shared by teachers once the students login to the class
- There will be certain questions for which the students will need to upload the answers. This will be specified in the question. The answers to these questions will have to be handwritten by the students and an image of the same will have to be uploaded. Your support may be required for this.
- II language and III language tests will be handwritten and the answer sheets will have to be uploaded on the email [assessment@tmpatelschool.edu.in](mailto:assessment@tmpatelschool.edu.in)
- The students must keep their video on while taking the test.
- The teachers will be monitoring while the students take the test
- The assessment portion has been shared through the Parent App, and the schedule is being shared along with this circular.
- We request your support in conducting the assessments fairly and effectively. Please monitor your ward while he/she is taking the assessment.
