Dear Parent,

Greetings from T.M. Patel International School!

We at **TMPIS** believe that every child has an ocean of inner strengths. The proportion of these strengths varies from person to person. But the only need is to develop these strengths and to develop this power it is necessary that proper environment, guidance, and encouragement should be provided as required. If a child gets all these in the right proportion, his/her hidden talents develop. Hence, T M Patel International School feels proud and glad to organize online competitions for creative engagement of students during the COVID-19 lock-down. The schedule of the competition is given below.
