**Dear Parents,**

**Greetings to you!**

The 21<sup>st</sup> Century is all about ingenuity, immediacy and inquisitiveness. Children are expected to be backed up with 21<sup>st</sup> Century Skills – a set of essential life skills and an invaluable asset in their preparation for college, work and life. As your child’s teacher, I continuously look at opportunities to connect their learning with real life and to provide them with the necessary skills to be proficient communicators, innovators and creators, critical thinkers, and collaborators, all with a global mindset supported by strong value systems.

One such opportunity is the TCS iON IntelliGem, a National level contest conducted by Tata Consultancy Services on a wide range of 21<sup>st</sup> Century Skills for the students of Grades 5 to 9. TCS iON IntelliGem 2021-22 is completely ONLINE! I would strongly recommend you to enroll your child to this.

All participating students get:

- **Learning Reference Material**  
Digital booklets on the 21<sup>st</sup> Century skills - authored by experts
- **Fun-filled Learning**  
Access 21<sup>st</sup> century learning through webinars, puzzles, games, activities and more
- **TCS iON IntelliGem Certificate and Recognition**  
Personalized performance report with IntelliGem Quotient and a digital certificate
  
- Winners and Finalists get to represent the School at National Level Finale and win exciting rewards:
  - **Cash Prizes**
  - **Trophy and Certificates**
  - **New Age Toys**
  - **Leadership Training**
  - **Books and Subscriptions**

To enroll your child, click [here](#) or visit <https://intelligem.tcsion.com>. While registering for the contest, you will need our School ID. Please use this School ID: **(1000135)**.

Together, let us make your child 21<sup>st</sup> Century ready!

**Regards ,  
Ms Anuradha Premnath  
Principal**
