Dear Parents and Students,

Greetings from T. M. Patel International School!

I hope you have had a wonderful and refreshing summer vacation filled with joyful moments and quality time with your family. It gives me great pleasure to welcome our students back to school as we begin another exciting phase of learning, growth, and achievement.

Please note that the school will **reopen for Nursery to Grade 9 and Grade 11 on Monday, 8th June 2026**. Classes will be conducted as per the regular school timings. Students are requested to report to school in proper uniform and come prepared for a productive start to the new term.

Considering the prevailing heat wave conditions and keeping the health and well-being of our students as our highest priority, the reopening of the school has been rescheduled. During this period, various enhancement and improvement works are being undertaken on the school premises to provide a safer, more comfortable, and enriching learning environment. As schools across the region are reopening on **8th June 2026**, our school will also resume classes on the same date, following the regular school schedule.

I encourage every student to return with renewed energy, enthusiasm, and a positive attitude towards learning. Together, let us make this academic session meaningful, productive, and successful.

I also extend my sincere gratitude to all parents for their continued trust, support, and cooperation. Your partnership is invaluable in the holistic development of our learners. We look forward to welcoming our students back to school on 8th June 2026.

**Warm regards,**  
**Mr K Maxwell Manohar**  
**Director/Principal**
