Circular: PT1 Examination Dispersal

TMPIS/2026-27/015

Date: 04 July 2026

Dear Parents of Grades I to VIII,

Greetings from T. M. Patel International School!

As our **Periodic Test–1 (PT1)** is **commencing from Monday, 6th July 2026**, we extend our heartfelt best wishes to all our students. May they approach their examinations with confidence, give their very best, and achieve excellent results.

This is to bring to your kind attention that during the ongoing PT1 examination, regular classes continue even after short-duration exams, as our teachers are conducting important revision sessions for the upcoming examinations.

We have observed that some parents are arriving to pick up their children immediately after the examination. During the previous academic year, we faced considerable difficulty as nearly **200–300 parents** arrived to collect their wards soon after the examinations. This disrupted the smooth functioning of the school and affected the planned revision sessions and academic activities for the remaining students.

To ensure that every learner benefits from these important sessions, we kindly request all parents **not to pick up their child before the regular dispersal time**.

Please note that, in the interest of maintaining discipline and ensuring uninterrupted learning, **the school will not permit students to leave the campus before the regular dispersal time during the examination period. An exception will be made only if the child is unwell, sick, or there is any other genuine medical emergency.** We sincerely request your understanding and wholehearted cooperation in adhering to this policy.

Let us work together to ensure the well-being of our learners and maintain a smooth academic environment.

Thank you for your continued support and understanding. We are always at your service and committed to the growth and well-being of our students.

We wish all our students the very best for their Periodic Test–1 examinations. May they remain calm, confident, and perform to the best of their abilities.

Warm regards,

Mr K Maxwell Manohar

Director/Principal

T. M. Patel International School
