Circular: Three - Language Formula As Per CBSE Circular For Grade 6

TMPIS/CIR_25 A/2026-27

Date: 18 August 2026

Dear Parents,

Greetings from T. M. Patel International School!

As per the CBSE circular on the implementation of the Three-Language Formula, the languages to be studied by students of Grade 6 at TMPIS from the academic session 2026–27 will be as follows:

Language 1: English

Language 2: Hindi

Language 3: Gujarati/Sanskrit

Kindly note that French will not be continued as a language option. As per the CBSE circular, a student may opt for only one foreign language under the Three-Language Formula. Since TMPIS is an English-medium school, English, which is classified as a foreign language under this formula, already fulfils that requirement as Language 1.

French, being an additional foreign language, cannot therefore be continued.

Parents who wish for their child to opt for Sanskrit as Language 3, in place of Gujarati, are requested to fill in the consent form provided on the next page and submit it to the respective Class Teacher by **Friday, 21st August 2026**.

If no consent form is received by the above date, it will be assumed that your child will continue with Gujarati as Language 3.

The CBSE circular (Circular No. Acad-49/2026, dated 10th July 2026) is also shared for your additional reference.

Dear Parents, if you have any queries or doubts, we are always at your service, please feel free to get back to us.

Warm regards,

Mr K Maxwell Manohar
Director/Principal

Implementation of the CBSE Three-Language Policy (Applicable to Students of Class VI – Academic Session 2026–27 Onwards)

"भाषा ज्ञानस्य सेतुः ।
Language is the bridge to knowledge

As per the CBSE Press Release dated 29 June 2026 and the subsequent CBSE Circular dated 10 July 2026 regarding the implementation of the Three-Language Policy from the Academic Session 2026–27 onwards, all CBSE-affiliated schools are required to implement the revised language framework in accordance with the National Education Policy (NEP) 2020.

In compliance with these directions, TMPIS The School shall implement the **CBSE Three-Language Policy** for all students of Class VI from the Current Academic Session. As a CBSE-affiliated institution committed to academic excellence, regulatory compliance and the vision of NEP 2020, we are implementing these guidelines in letter and spirit.

At TMPIS, we believe that language is far more than a means of communication—it is a bridge to knowledge, values, culture, and meaningful human connections. The CBSE's latest guidelines further reinforce this vision by promoting multilingualism, cognitive development, cultural appreciation, and national integration through the structured learning of three languages.

As your ward is currently studying in **Class VI**, this policy will be applicable to this batch and all subsequent batches entering Class VI. This circular outlines the key features of the policy and TMPIS's implementation plan to help you understand what this change means for your child.

What is the Three-Language Policy?

- Every student will study three languages.
- At least two of these three languages must be Bhartiya Bhashas (Indian languages).
- The objective of this policy is to develop multilingual proficiency, strengthen communication skills and foster an appreciation of India's rich linguistic and cultural heritage.

Language Structure at TMPIS

In accordance with the recent framework, TMPIS has adopted the following language structure for the current Class VI batch (Academic Session 2026–27)-

- **First Language (R1): English**
- **Second Language (R2): Hindi**
- **Third Language (R3): Gujarati/Sanskrit**

Gujarati/Sanskrit has been adopted as the Third Language to provide learners with a strong foundation in one of India's classical languages while supporting the vision of the National Education Policy 2020 and the CBSE language framework.

What does this mean for your child?

- Your child will continue to study **English, Hindi and Gujarati/Sanskrit** throughout the Middle Stage (Classes VI–VIII) and the Secondary Stage (Classes IX–X), as per the CBSE Scheme of Studies.
- When this batch progresses to **Class X**, students will also appear for the **CBSE Board Examination in the Third Language (Gujarati/Sanskrit)**.
- The current policy applies only to the present Class VI batch and all subsequent Class VI batches. The existing Class VII, VIII, IX and X batches are governed by separate transitional provisions issued by CBSE.
