Dear Parents,

Greetings from T. M. Patel International School!

We take this opportunity to thank all parents for your splendid cooperation and support to our school. We are especially grateful to the parents who have attended the functions held recently. Your presence has motivated and encouraged us to work towards continuous improvement of the school and to ensure that our students can enjoy a world-class learning experience.

To ensure optimal care to our students and, comprehensively make their life in the school active, enthusiastic, and attractive, we are going to make a few changes to the time table.

Please note the following.

1. The outcome of the recent survey; has shown a lot of positivity, amongst parents to ensure more active engagement for our students. 78.5% of parents agree that students of Grade 1-5 can also attend school on Saturdays. We wholeheartedly thank all the parents for your support.
2. The school will be operational for two Saturdays, that is the First Saturday and the Third Saturday, from 8:00 AM to 1:30 PM for Grade I to X. The school will remain closed on the second and fourth Saturdays. If any month has a 5th Saturday as it is rare, it will be working Saturday.
3. Activities such as Taekwondo and Gymnastics will be added to the timetable, and also to the list of present activities. We will provide block periods (combining two periods) for skating so that children will have ample time to tie skates and then practice skating.
4. These activities will be distributed so that students do not have continuous subject classes. Thus students will be able to enjoy both academic classes as well as activities.
5. On the working Saturdays, students will be provided both breakfast and lunch.
6. Please note that these changes will be done without any extra charges.
7. We request the parents of those students who come by van, to inform the drivers regarding this change.
8. These changes will be applicable from the month of September 2022.
9. **The revised timetable will be shared shortly with the parents.**

I request all the parents to kindly cooperate with these changes for the all-round and holistic development of our students. Please do note that most CBSE schools are also operational on Saturdays. We hope that these changes would ensure that our students have ample time and exposure to nurture their talents.

Regards

Director

T.M. Patel International School
