Date: 2nd August, 2022

Dear Parents,

Greetings from T.M. Patel International School!

I would like to bring to your kind notice, the reviews we have got regarding having the school on Saturdays (Half Day).

Total number of students from Grade I to X. – 468 students

- 1) Parents who said “Yes” – 195
- 2) Parents who said “No” – 120
- 3) Parents who did not respond – 153

We are happy that majority of the parents positively responded. But for those parents who are objecting and the parents who did not respond, we have come up with another option.

Instead of having all Saturday’s half days, we are coming up with the idea of having 2 Saturday’s (Full Working days) and 2 Saturday’s holiday. If we have a 5th Saturday in any month, then the 5th Saturday will be a full working day. We request the parents to express their opinions immediately.

We regret for delaying this matter for long and we are losing precious time of students as well. We are sending the google form link below.

This link will be active till 4th August 2022 . In order to have a comprehensive approach , to balance the activities and academics , we need to conclude this matter by 5th of this month, so we request the parents to please respond to this proposal on urgent basis.

Looking forward for a positive reply from all the parents. (Grade 1st to 10th)

Regards
